

case study

Guildford and Brighton Probation Offices

The Requirement:

To provide a secure teachers station in 4 probation classrooms with full interactive learning capabilities.

The Solution:

Netcom offered a package which included a full interactive leaning teaching space which included security for all the classrooms equipment. Netcom designed a bespoke flip top desk which would secure the teachers PC and monitor but would also fit into a very small space.

The solution included the following:

- 4x Single bespoke flip top desk with full security features including PC cages and monitor arms.
- Audio visual solution including whiteboard, projector and boom arm, speakers and Visualisers.
